WORK EXPERIENCE

Inter-Con Security

Regional CFO, Latin America

Sep. 2020 – Present

Mexico City, Mexico

- One of the largest private security companies in the world with over 35,000 employees across North America, South America, Latin America, and Africa.
- Led high-performing teams that drove financial results and innovation across Latin America including Mexico, Colombia, Dominican Republic, Guatemala, Chile and Venezuela and steered complete reorganization of Latin America's structure, including restructuring of financial and accounting systems.
- Implemented a Finance GBS delivery model for Latin America, aligning financial and accounting services with business strategy, centralizing routine transaction processing and standardizing processes across operating countries, eliminating non-value-added activities.

Panalpina Mexico

CFO – Head of Finance

Jun. 2019 – Aug. 2020

Mexico City, Mexico

- Among top-5 Freight Forwarding / Logistics companies worldwide. Over CHF \$300 million annual revenue – responsible for 8 direct reports and over 70+ indirect staff.
- Led DSV Panalpina M&A efforts in Mexico valued at USD \$60 million, including transaction funding, due diligence, negotiation, and post-closing integration.
- Navigated through and resolved legal and compliance challenges (over USD \$5 million in disputed collections) and drove efforts in attracting and developing finance talent.

Panalpina Mexico

Head of Controlling

Jul. 2018 – May 2019

Mexico City, Mexico

- Managed and ensured all financial activities, records, and reports of a CHF \$300 million annual revenue organization accurately represented the business's financial state of affairs.
- Secured CHF \$250k+ in annual cost savings and triggered productivity improvements over 30% by designing and implementing innovative financial frameworks from the ground up.
- Structured and streamlined redundant day-to-day operations resulting in more accurate and timely financial information, boosting overall performance by more than 40%.

Panalpina Panama

Finance Controlling Manager | Central America and the Caribbean

Sep. 2017 – Jun. 2018

Panama City, Panama

- Directed Financial Reporting and Controlling tasks in five countries: Panama, Costa Rica, Dominican Republic, El Salvador and Venezuela.
- Successfully led implementations of Financial SAP Systems in Central America and the Caribbean, improving operational efficiency of finance systems by 40% (via Single Client) and achieving over CHF \$250k annual cost savings.
- Drafted and executed the centralization of Finance's Central America and the Caribbean activities into one single cluster in Panama, streamlining processes and ensuing over CHF \$200k EBIT increase per annum and performance/productivity boosts of 20%.
